Course Number is a Prerequisite for:

Course No. 2100

Microeconomics

Course No.
Nil

2200

Macroeconomics

ν Course Description (required)

This course builds on knowledge gained in the study of both macroeconomics and microeconomics in terms 1 and 2. The focus concentrates on the relationship between basic economic principles and the identification and analysis of real estate market land development opportunities. Students will become proficient in identifying economic influences relevant to the ever-changing nature of real estate market opportunities.

v Detailed Course Description (optional)

v Evaluation

Class Participation	15%
Projects	30%
Mid term Exam	20%
Final Exam	35%
TOTAL	100%

Comments: Failure to achieve 50% or more on: the combination of the exams (midterm and final), and the individual assignments/participation marks, will result in a 0% being assigned for all other projects and assignments, resulting in a

failing grade for this course.

Class Participation marks must be earned individually in class, through voluntary proactive contribution to the course content.

v Course Learning Outcomes/Competencies

Upon successful completion, the student will be able to:

- 1. describe the land development process
- 2. describe the underlying base factors that influence the price of real property.
- 3. describe relevant location practice and resulting land-use patterns.
- 4. analyze real property price factors of supply and demand
- 5. analyze current government policies as they relate to the real property market.

- 6. describe the effects of transportation policies on urban development and real property value.
- 7. describe the effects of different zoning on urban land development and use.

v Information for Students

(Information below can be adapted and supplemented as necessary.)

Assignments: Late assignments, lab reports or projects will not be accepted for marking. Assignments must be done on an individual basis unless otherwise specified by the instructor.

Makeup Tests, Exams or Quizzes: There will be no makeup tests, exams or quizzes. If you miss a test, exam or quiz, you will receive zero marks. Exceptions may be made for documented medical reasons or extenuating circumstances. In such a case, it is the responsibility of the student to inform the instructor immediately.

Ethics: BCIT assumes that all students attending the Institute will follow a high standard of ethics. Incidents of cheating or plagiarism may, therefore, result in a grade of zero for the assignment, quiz, test, exam, or project for all parties involved and/or expulsion from the course.

Attendance: The attendance policy as outlined in the current BCIT Calendar will be enforced. Attendance will be taken at the beginning of each session. Students not present at that time will be recorded as absent.

Missing more than 10% of classes without prior arrangement and consent of your instructor may result in a grade of 0% being assigned for your final exam, equating to a failing grade for this course.

Illness: A doctor's note is required for any illness causing you to miss assignments, quizzes, tests, projects, or exam. At the discretion of the instructor, you may complete the work missed or have the work prorated.

Attempts: Students must successfully complete a course within a maximum of three attempts at the course. Students with two attempts in a single course will be allowed to repeat the course only upon special written permission from the Associate Dean. Students who have not successfully completed a course within three attempts will not be eligible to graduate from the appropriate program.

Course Outline Changes: The material or schedule specified in this course outline may be changed by the instructor. If changes are required, they will be announced in class.

v Assignment Details

To be distributed in class.
