Hours/Week: 4 **Lecture:** 1 **Lab:** 3

Shop: **Seminar:** **Other:**

Prerequisites

Course No. **Course Name**

Successful completion of all Level 2 courses.

FMGT 3720 is a Prerequisite for:

Course No. **Course Name**

FMGT 4710 Advanced Computer Applications 2

FMGT 4750 Financial Information Systems

v Course Description

This is a general module that introduces students to both Intuit's QuickBooks and Microsoft Business Solutions - Great Plains accounting software packages.

QuickBooks would be used by small business organization whilst Microsoft Business Solutions - Great Plains would be used in a larger organization which wishes to take advantage of the system integration features which are provided by the software. Most of the course will deal with Microsoft Business Solutions - Great Plains.

v Evaluation

Homework Assignments

(Submitted via sharein)

20%

In-Class Quizzes and Tests

(Timed tests; done in lab hours)

80%

TOTAL

100%

Comments: The expectation is that assignments will be completed during lab times. A high standard of work is expected in this module. All work must be to a professional standard.

v Course Learning Outcomes/Competencies

Upon successful completion, the student will be able to:

1. Copy, backup, restore and manage data files.
2. Navigate the principal features and functionality of Great Plains and QuickBooks.
3. Set up a new company Chart of Accounts and opening balances in QuickBooks.
4. Using Microsoft Business Solutions - Great Plains perform daily transaction processing in Financial Series (General Ledger and System Manager).
5. Identify the main business processes and documents in the revenue cycle.

v Course Learning Outcomes/Competencies (cont'd.)

6. Perform daily transactions and routines in the Sales Series and Sales Order Processing.
7. Identify the main business processes and documents in the purchasing cycle.
8. Perform daily transactions and routines in the Purchasing Series and Purchase Order Processing.
9. Perform a bank reconciliation.
10. Modify user preferences (and include linking to external tasks.)
11. Adjust perpetual inventory records.
12. Perform month-end procedures
13. Review, modify and print records.
14. Add Fixed Asset records and set up depreciation schedules
15. Perform drill-down procedures from screens back to original transactions.
16. Correct errors made to both non-posted and posted transactions.
17. Export reports to Excel and modify in Excel.
18. Import and Export Budget Data
19. Modify and Build Financial Statements in Great Plains using Advanced Financial Analysis.

v Learning Resources

Required:

Computerized Accounting Using Great Plains Dynamics. Reference

Computerized Accounting Using Great Plains Dynamics. Instructions & Assignments

Both texts authored by Arens & Ward. Published by Armond Dalton Publishers, Okemos, MI. Second Edition, 2001

A Rewriteable CD Rom for storing your data – CD-RW

v Recommended:

Private access to a PC with internet connection

A USB memory stick with a capacity of at least 64 meg

v Learning and Teaching Approaches

Students will work with QuickBooks 5005 and version 6.0 of Microsoft Business Solutions - Great Plains. This software is available in all the computer labs in SE 6.

The Microsoft Business Solutions - Great Plains software is bundled with the textbook and may be installed on your home computer.

- Lectures will not be taken directly from the text: students are required to master the material and do assignments from the text. Questions about the text material can be brought to labs for answers from instructors. Lectures will expand on text material and offer material not contained in the text.
- It is expected that students will be able to complete the assigned work in the assigned lab hours.
- Quizzes will take place in labs. There will be no make up quizzes. If you are unable to attend your scheduled quiz you may be able to write the quiz with a different set.
- A high standard of ethics is expected – students may collaborate on assignments but you are to submit your own work.

v Information for Students

(Information below can be adapted and supplemented as necessary.)

Assignments: Late assignments, lab reports or projects will **not** be accepted for marking. Assignments must be done on an individual basis unless otherwise specified by the instructor.

Makeup Tests, Exams or Quizzes: There will be **no** makeup tests, exams or quizzes. If you miss a test, exam or quiz, you will receive zero marks. Exceptions may be made for **documented** medical reasons or extenuating circumstances. In such a case, it is the responsibility of the student to inform the instructor by e-mail **immediately**.

Ethics: BCIT assumes that all students attending the Institute will follow a high standard of ethics. Incidents of cheating or plagiarism may, therefore, result in a grade of zero for the assignment, quiz, test, exam, or project for all parties involved and/or expulsion from the course.

Attendance: The attendance policy as outlined in the current BCIT Calendar will be enforced. Attendance will be taken at the beginning of each session. Students not present at that time will be recorded as absent.

Illness: A doctor's note is required for any illness causing you to miss assignments, quizzes, tests, projects, or exam. At the discretion of the instructor, you may complete the work missed or have the work prorated.

Attempts: Students must successfully complete a course within a maximum of three attempts at the course. Students with two attempts in a single course will be allowed to repeat the course only upon special written permission from the Associate Dean. Students who have not successfully completed a course within three attempts will not be eligible to graduate from the appropriate program.

Course Outline Changes: The material or schedule specified in this course outline may be changed by the instructor. If changes are required, they will be announced in class.

Note:

1. All assignments must be received in the BCIT sharein drive on time. The time stamp of each submission will be the official time received. Late assignments will not be accepted and will not be eligible for resubmission.
2. In-class quizzes will take about 30-60 minutes to complete. **There will be a number of in-class quizzes as announced in lecture and on shareout.** No make-ups are allowed; students who miss classes with a medical excuse will be given aegrotat standing.
