- a. read the material **before** it is covered in the lecture.
- b. study the topics that will be covered in the seminar and answer the seminar questions **before** the seminar date to enable you to better participate in the seminar.

FMGT 3410 Seminars

1. The participation mark will be affected both by your *attendance* and your *contribution* during the two-hour seminars. You *earn* your seminar mark, to a maximum of 5 marks, with quality contributions. Your earned mark will be *reduced* for non-attendance at seminars.
 - a. If you are absent from the seminars for any reason except sickness (evidenced by a note from your doctor), or for other unavoidable circumstances approved in advance by your instructor, for each absence you will *lose* the opportunity to earn 1 of the 5 marks allocated for participation.
 - b. You are expected to make relevant contributions to seminar discussions. Your mark will be based on the quantity and quality of your responses. It will, therefore, be in your best interest to be *prepared well* for each class and to *participate often* since the mark given to incorrect or incomplete responses can be improved by good responses in the remainder of the labs. **DO NOT WAIT UNTIL CLOSE TO THE END OF THE COURSE TO PARTICIPATE, YOU MAY BE TOO LATE.**
2. Quizzes will be given at the *beginning* of some seminars. These quizzes will be short and will contain questions pertaining to the material covered since the previous quiz. Each seminar class will be given different quiz questions. If you are absent for the quiz, there is *NO* opportunity for make-up, unless your absence is acceptable as described in 1 (a). You may not attend seminars of any set other than the set you are assigned to, without *prior* permission from your instructor. There will be a maximum of 8 quizzes.
3. Unless otherwise instructed, each two-person group must bring one *Income Tax Act* and one *Tax Principles to Remember, to each seminar*. Otherwise, you will be considered absent and lose marks accordingly.

FMGT 3410 Exams

The exam format may include the following questions styles:

1. short written answers with a maximum of about 3 lines
2. true and false
3. multiple choice, both subjective and numerical
4. problems.

Cheating, Plagiarism and Dishonesty

“Acts of cheating, plagiarism and dishonesty are not tolerated; the degree of punitive action may range from a written warning to withdrawal from the program. These penalties may also be applied to students who knowingly contribute to the act of dishonesty, cheating and plagiarism.” (Refer to page 2 of the current BCIT calendar.)
