**■ Course Description (required)**

This course is designed to convey the nature and function of capital markets, the important features of the instruments which trade in these markets and the factors which contribute to the value of securities. A discussion of derivative instruments and mutual funds will conclude the course.

**■ Course Learning Outcomes**

At the end of this course, the student will be able to:

- Discuss the structure of capital markets and their function within the Canadian economy.
- Describe the purpose of investments and appreciate their risks and rewards.
- Explain the workings and mechanics of a stock exchange.
- Identify sources of information on the performance of publicly traded companies.
- Understand the nature of marketable securities and the factors which influence their price.
- Discuss the various methods employed to evaluate the worth of a marketable security.
- Describe the nature of derivatives markets and describe the principal options.
- Describe the nature of mutual funds in terms of their advantages, disadvantages and performance.

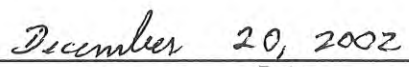

**■ Evaluation**

Mid Term Exam	35%	Comments:
Final Exam	40%	
Assignment	15%	
Participation	10%	
TOTAL	100%

E-mail Address: jerome\_gessaroli@bcit.ca

## ■ Learning Resources

*Required:* **Handouts**

## ■ Information for Students

**Assignments:** Late assignments, lab reports or projects will **not** be accepted for marking. Assignments must be done on an individual basis unless otherwise specified by the instructor.

**Makeup Tests, Exams or Quizzes:** There will be **no** makeup tests, exams or quizzes. If you miss a test, exam or quiz, you will receive zero marks. Exceptions may be made for **documented** medical reasons or extenuating circumstances. In such a case, it is the responsibility of the student to inform the instructor **immediately**.

**Ethics:** BCIT assumes that all students attending the Institute will follow a high standard of ethics. Incidents of cheating or plagiarism may, therefore, result in a grade of zero for the assignment, quiz, test, exam, or project for all parties involved and/or expulsion from the course.

**Attendance:** The attendance policy as outlined in the current BCIT Calendar will be enforced. Attendance will be taken at the beginning of each session. Students not present at that time will be recorded as absent.

**Illness:** A doctor's note is required for any illness causing you to miss assignments, quizzes, tests, projects, or exam. At the discretion of the instructor, you may complete the work missed or have the work prorated.

**Attempts:** Students must successfully complete a course within a maximum of three attempts at the course. Students with two attempts in a single course will be allowed to repeat the course only upon special written permission from the Associate Dean. Students who have not successfully completed a course within three attempts will not be eligible to graduate from the appropriate program.

**Course Outline Changes:** The material or schedule specified in this course outline may be changed by the instructor. If changes are required, they will be announced in class.

**Lecture Notes and other Information:** Lecture notes will be available through the share out directory under the FMGT4620 folder. Notes will be posted in advance of the lecture. The notes **DO NOT** replace attendance at lectures. They are meant to be a complement to lectures. There may also be, from time to time, other information sources on the share out directory that will be required reading.
