Information for Students

Assignments: Late assignments, lab reports or projects will **not** be accepted for marking. Assignments must be done on an individual basis unless otherwise specified by the instructor.

Makeup Tests, Exams or Quizzes: There will be **no** makeup tests, exams or quizzes. If you miss a test, exam or quiz, you will receive zero marks. Exceptions may be made for **documented** medical reasons or extenuating circumstances. In such a case, it is the responsibility of the student to inform the instructor **immediately**.

Ethics: BCIT assumes that all students attending the Institute will follow a high standard of ethics. Incidents of cheating or plagiarism may, therefore, result in a grade of zero for the assignment, quiz, test, exam, or project for all parties involved and/or expulsion from the course.

Attendance: The attendance policy as outlined in the current BCIT Calendar will be enforced. Attendance will be taken at the beginning of each session. Students not present at that time will be recorded as absent.

Missing more than 10% of classes without prior arrangement and consent of your instructor may result in a grade of 0% being assigned for your final exam, equating to a failing grade for this course.

Illness: A doctor's note is required for any illness causing you to miss assignments, quizzes, tests, projects, or exam. At the discretion of the instructor, you may complete the work missed or have the work prorated.

Students with two attempts in a single course will be allowed to repeat the course only upon special written permission from the Associate Dean. Students who have not successfully completed a course within three attempts will not be eligible to graduate from the appropriate program.

Assignment Details

Project: The student will identify and approach a business (or, in a very limited number of situations, a non-profit organization seeking to undertake a commercial project) that requires the student to complete a project or series of projects.

Each student will be evaluated on the basis of:

- a) A Mid-Practicum memo to the Instructor outlining work accomplished to date, future work to be completed, your view of how you are doing at the company, etc. ***Write the memo as if you were doing an evaluation for the company at the point where they were deciding to keep you after your probation period.*** Do **NOT** write it up as if it was a school project – this is a business memo to your organization. It must be focused, professional, and job-ready. These memos will not be returned but will be marked with the final written report. (15%). Late memos are penalized 10 marks per calendar day. ***Due Tuesday April 24, 2007 in your designated lab.***
- b) A written report submitted to the Instructor including the objectives, methods, findings and deliverables to the sponsor, (40%). Late reports are penalized 10 marks per calendar day. ***Due Tuesday May 22, 2007 by 4:00 pm, SE6 Room 308 - hard copies only.***
- c) A written evaluation provided by the sponsor to the Instructor (Total 45%), ***Due Tuesday May 22, 2007 by 4:00 pm, SE6 Room 308.*** Late evaluations are penalized 10 marks per day. Thirty percent of the evaluation mark (i.e. 30% of the 45%) will come from the work done; the remaining fifteen percent will come from attendance, work habits, ability to work with team members, etc.

NB: All projects must be approved by the Instructor in advance by Friday March 2, 2007. Students must submit a one page Summary of Proposed Practicum Activities for approval by this date. This memo should include deliverables and objectives.

Schedule

NB: You *MUST* put in the complete nine weeks with your client. If for some reason your client is away, or wants to start later, etc. you must get this approved by your Instructor in advance who will give you work to do for those days not covered with your sponsor.
