<b>Total Weeks:</b>	<b>6</b>		
<b>Hours/Week:</b>	<b>14</b>		

**Prerequisites: Placement Test**

If you want to take COMM 0003, you must be at an intermediate level in English.  
COMM 0003 is a prerequisite for COMM 0004.

**Course Calendar Description:** Gives students the speaking and listening skills needed to succeed in BCIT's other pre-entry courses. This course emphasises oral English language skills, gives you practice in writing skills, and prepares you for entry to COMM 0004.

**Course Goals:** COMM 0003 is designed to help students wishing to pursue careers in trades and technology to develop a solid foundation of English language skills. The course consists of 12 six-hour classes. Successful completion of the course will prepare students to further develop their technical writing skills in BCIT's other pre-entry courses.

**Evaluation**

In class oral and written assignments	(15 +40)
Midterm	20%
Final Exam	25%
TOTAL	100%

### Learning Resources

You will NOT need to buy a textbook for this course; you'll be given handouts for each unit. To keep your handouts and assignments, you'll need a three-ring binder.

#### Required:

For your hand-written assignments, you'll need

- 3-hole lined 8-1/2 by 11" notepaper
- a pencil (HB or 2B)
- an eraser or other means of making corrections neatly
- a stapler

**Recommended:** You'll want to have a good **English-to-English dictionary**. I strongly recommend you bring your English dictionary to each class if you want to improve your spelling, vocabulary, and comprehension.

---

**BCIT Policy Information for Students:** As a BCIT student, you should familiarize yourself with the following BCIT policies and the procedures used in applying these policies:

**Attendance Policy:** You are required to attend all classes. If you cannot attend a class, notify your instructor in advance, just as you would call your supervisor in the workplace if you couldn't make it to work. Excused absences are limited to 10 per cent of the total classroom hours. Excessive absence may result in failure or immediate withdrawal from the course (BCIT Policy # 5201). It is your responsibility to contact your instructor to arrange to catch up on any assignments or work you missed.

**Conduct Policy:** BCIT is committed to creating and maintaining an environment that is conducive to learning. In doing so, students are expected to conduct themselves appropriately at all times, respecting other people's rights, property, environment, health and safety, and are held responsible for their own and collective actions (BCIT Policy #5251).

---

**Harassment and Discrimination Policy:** BCIT and its management, together with the unions and the Student Association, are committed to providing an environment where the individual differences of all students and employees are valued and respected - an environment free from harassment and discrimination (BCIT Policy # 7507).

**I.D. Required in Examination Centres**

Effective December 2000, in order to write exams, students will be required to produce photo-identification at examination centres. Photo I.D. must be placed on the desk before an exam will be issued to the student. The I.D. must remain in view on the desk while writing the exam, for inspection by invigilators. Students should bring a BCIT OneCard or alternatively two pieces of identification, one of which must be government photo I.D. such as a drivers license. Please see BCIT Policy #5300, Formal Invigilation Procedures.

This is not a complete list of all BCIT policies relating to students. Other policies, including Reassessment and Appeal Policy and Freedom of Information Policy are outlined in the 2002 Full-time Calendar. Check with the Pre-Entry program head if you have any questions about policies.

---

**Assignment Details:** You are required to complete all the assignments—practice and graded—for this course as well as write the midterm and the final exam. IN-class assignments must be completed and handed in during the class in which they are given. Any take-home assignments must be submitted at the beginning of the next class.

If you miss an in-class assignment, it is your responsibility to arrange with the instructor to write it in another class or at another time under the instructor's supervision. If you fail to do so, you will receive a grade of zero for the assignment. Assignments received after other students' marked assignments have been returned will receive comments but no grade.

All writing assignments must meet the following requirements:

1  **Acceptable Paper.** Use lined 8-1/2 by 11" notepaper. If you want to word-process assignments, ask your instructor. Please start writing on the side of the page that has holes on the **left**.

2  **Functional Margins and Double-Spaced.** Leave 1" margins on all sides of the assignment to allow for marking. Write only on every **second** line to leave room for the instructor's comments.

**Proper Identification.** Write your name and course number on the top right hand corner of each page.

---

**Professionalism and Participation:** BCIT prides itself on the professionalism of its students, who are welcome in any workplace because of their proven ability to show up and do the job in a way that earns the respect of their coworkers and supervisors.

To meet workplace standards, you'll have to

- Submit all assignments on time, or obtain extensions before deadlines
- Attend all classes, or explain an absence the same way you would have to excuse yourself for not being able to come in to work

- 
- Treat each other and your instructor with courtesy and consideration
  - Contribute to the success of your course by participating actively in every class.
- 

### **Teaching Methods**

We will be using several methods that have been proven effective for teaching students at BCIT:

1. Using Video and AudioTapes to bring the Language of the Real World into Your Classroom. During this course, you will be hearing from instructors, staff and students at BCIT, speaking the English they use every day. These experts will come to you on video and audiotapes.
2. Teamwork. In this course, you will often be working in small groups. This will allow you to develop the interpersonal skills you need to succeed at BCIT and in the workplace. You will also learn more in groups as you teach and support each other. In addition, small groups will allow you the opportunity to do a great deal of the talking in your language class.
3. Explaining in Your Own Words. After you watch a video or read about a topic, you will sometimes be asked to explain or write about that topic in your own words. This will help you make English your own language, which you are able to use to express you own goals, knowledge and opinions.

#### **4. Additional Information about Learning Groups**

As a member of a learning group, you will have four major responsibilities

1. Help, support, and encourage other group members to learn the course material. Provide feedback to the instructor on how well the members of the groups are succeeding and on any problems they may have.
  2. Make sure all the members get the work done on time and hand in all their assignments for marking. If members of your groups arrive late or have to leave early, fill them in on what they missed.
  3. Help members prepare for quizzes and exams. Discuss assignments, review work, and study together.
  4. Help students in other groups when their group finishes an exercise ahead of another group.
