**BCIT Policy Information for Students:** As a BCIT student, you should familiarize yourself with the following BCIT policies and the procedures used in applying these policies:

**Conduct and attendance Policy:** BCIT is committed to creating and maintaining an environment that is conducive to learning. In doing so, students are expected to conduct themselves appropriately at all times, respecting other people's rights, property, environment, health and safety, and are held responsible for their own and collective actions. See page 2 of the 1999 Full-time Calendar for more information about this policy.

**Harassment and Discrimination Policy:** BCIT and its management, together with the unions and the Student Association, are committed to providing an environment where the individual differences of all students and employees are valued and respected - an environment free from harassment and discrimination. See the 1999 Full-time Calendar for more information about this policy.

This is not a complete list of all BCIT policies relating to students. Other policies, including Reassessment and Appeal Policy and Freedom of Information Policy are outlined in the 1999 Full-time Calendar. Check with the Pre-Entry program head if you have any questions about policies.

**Assignment Details:** You are required to complete all 10 assignments—practice and graded—for this course as well as write the midterm and the final exam. In-class assignments must be completed and handed in during the class in which they are given. Any take-home assignments must be submitted at the beginning of the next class.

If you miss an in-class assignment, it is your responsibility to arrange with the instructor to write it in another class or at another time under the instructor's supervision. If you fail to do so, you will receive a grade of zero for the assignment. Assignments received after other students' marked assignments have been returned will receive comments but no grade.

All writing assignments must meet the following requirements:

- 1 ☐ **Acceptable Paper.** Use lined 8-1/2 by 11" notepaper. If you want to word-process assignments, ask your instructor. Please start writing on the side of the page that has holes on the left.
- 2 ☐ **Functional Margins and Double-Spaced.** Leave 1" margins on all sides of the assignment to allow for marking. Write only on every second line to leave room for the instructor's comments.
- 3 ☐ **Proper Identification.** Write your name and course number on the top right hand corner of each page.

**Professionalism and Participation:** BCIT prides itself on the professionalism of its students, who are welcome in any workplace because of their proven ability to show up and do the job in a way that earns the respect of their coworkers and supervisors.

To reward you for meeting these workplace standards, evaluation for this course includes a 5% grade for professionalism and participation. To get a full 5%, you'll have to

- submit all assignments on time, or obtain extensions before deadlines
- attend all classes, or explain an absence the same way you would have to excuse yourself for not being able to come in to work
- treat each other and your instructor with courtesy and consideration
- contribute to the success of your course by participating actively in every class.
- complete all revision sheets and revise all assignments
