Course 0004 is a Prerequisite for: 0005

You will need to obtain a minimum grade of 65% in COMM 0005 to receive a "P" in English 12. This will allow you to enroll in a full-time program at BCIT. Some programs require a 70% (C), and others require a 75% (C+).

Course Calendar Description: Prepares students whose first language is not English but have good writing and speaking skills. You will learn the writing, reading, speaking, listening and study skills needed for BCIT full-time programs.

The course covers essentials of business language skills. A grade of 65% in this course equals a "P" in English 12. Check with BCIT Admissions to find out the final grade that you need for the program you are planning to take.

The course focuses on developing reading, writing, speaking, and study skills required for BCIT full-time programs. Sentence and paragraph development, reading comprehension, speaking, study and grammatical skills are emphasized.

BCIT Policy Information for Students: As a BCIT student, you should familiarize yourself with the following BCIT policies and the procedures used in applying these policies:

Conduct and attendance Policy: BCIT is committed to creating and maintaining an environment that is conducive to learning. In doing so, students are expected to conduct themselves appropriately at all times, respecting other people's rights, property, environment, health and safety, and are held responsible for their own and collective actions. See page 2 of the 1999 Full-time Calendar for more information about this policy.

Harassment and Discrimination Policy: BCIT and its management, together with the unions and the Student Association, are committed to providing an environment where the individual differences of all students and employees are valued and respected - an environment free from harassment and discrimination. See the 1999 Full-time Calendar for more information about this policy.

This is not a complete list of all BCIT policies relating to students. Other policies, including Reassessment and Appeal Policy and Freedom of Information Policy are outlined in the 1999 Full-time Calendar. Check with the Pre-Entry program head if you have any questions about policies.

Assignment Details:

1. You are required to complete a minimum of 6 marked writing assignments in this course, in addition to other exercises, both marked and unmarked, and short quizzes.
2. You must complete all assignments to be eligible to pass this course. You will have two types of assignments: in-class or take-home. The in-class assignments must be completed and handed in during the class in which they are given. The take-home assignments must be submitted at the beginning of the next class.
3. If you miss an in-class assignment, it is your responsibility to arrange with the instructor to write it in another class or at another time under the instructor's supervision. If you fail to do so, you will receive a grade of zero for the assignment.
4. Unless you have obtained an extension, you will be assessed a late penalty of 10% per day for late assignments. Assignments received after other students' marked assignments have been returned will receive comments but no grade.

All writing assignments must meet the following requirements:

- 2 ☐ **Functional Margins and Double-Spaced.** Leave 1" margins on all sides of the assignment to allow for marking. Write only on every **second** line to leave room for the instructor's comments.
- 3 Assignments may be handwritten in black or blue ink or word-processed.

Proper Identification. Write your name and course number on the top right hand corner of each page.

Teaching Methods: We will be using teaching methods which have proven effective for teaching students at BCIT:

1. Team work. Just as in all courses at BCIT, you will be working in small groups. This will allow you to develop the interpersonal skills you need to succeed at BCIT and in the workplace. You will also learn more in groups as you teach and support each other.
 2. Peer-editing. You'll work with one or two partners to locate, discuss, and correct errors in each other's work.
 3. Explaining in your own words. You'll be reading from textbooks, case studies, and handouts and then putting the ideas into your own words. You will know you have gained knowledge and language skills when you are able to explain the ideas clearly to your team members and to your instructors.
-

Professionalism and Participation: BCIT prides itself on the professionalism of its students, who are welcome in any workplace because of their proven ability to show up and do the job in a way that earns the respect of their coworkers and supervisors.

To meet workplace standards, you'll have to

- Submit all assignments on time, or obtain extensions before deadlines
- Attend all classes, or explain an absence the same way you would have to excuse yourself for not being able to come in to work
- Treat each other and your instructor with courtesy and consideration
- Contribute to the success of your course by participating actively in every class.
